To Whom It May Concern:

As a Lake Tahoe native, I have had occasion to listen to Luke Stevenson for over fifteen years. Because of his immense popularity, as Executive Director of Saint Mary's Foundation, I have had the pleasure of hiring Luke several times for public and private events. Each time he has provided outstanding entertainment and atmosphere that have contributed to the success to each of those programs. During and after his performances, I've received many compliments on his musical choice, style, delivery and professionalism. His natural interaction with the audience and ability to tailor each performance to the audience's requests has contributed to his popularity and made him one of the highlights of not only our functions, but also the Tahoe basin.

If you're planning events that would benefit from top line entertainment, I recommend that you give Luke serious consideration. I am in the process of planning a major board and emeritus appreciation dinner for this year and one of my first orders of business was to ensure Luke was available to perform. I'm confident that his presence at any event, private or corporate, will be a positive contribution to its success.

Feel free to contact me with any questions you may have regarding Luke Stevenson at my office, 775-770-3519.

Sincerely,

Paul M. Laxalt  
Executive Director
